Board of Directors:

Old Business: Allison Pyle is doing well, still has about 30% kidney functions. We have a couple of medallions left, they are \$5.00 each. Website has been cleaned up and working well. Bruce Osmon, Lapeer has been helping a lot with the website, with new things being added. We would like to eventually have minutes only on the website with no mailings. We will continue to mail to those that don't have a computer. Website is www.msma.us

New Business: Elections coming up in November, let John Townsend know if you want to run or if you would like to nominate someone for the positions. Otsego put into host Spring Pistol shoot and Benzie for Fall Camp Out 2011. Anyone else wishing to host please put in ASAP, so we can get these voted on.
